Dear Mr. Fletcher:

Re: Ontario Power Generation Inc. (OPG) Clean Energy Credits

The Ontario Energy Board (OEB) acknowledges receipt of the letter sent by Mr. Fletcher on behalf of the City of Ottawa dated June 14, 2022. The letter expresses concerns about OPG's sale of clean energy credits arising from its OEB rate-regulated assets and requests that the OEB initiate a process to consider the impacts of this practice.

This letter is to advise you that the OEB is currently considering the matter.

Yours truly,

Nancy Marconi
