ENWIN POWERLINES: EB-2005-0359

OEB STAFF QUESTION 1:

Ref: Rate Adjustment Application, page 3 of 9:

A proposal is made that the Board modify the scope of EnWin Powerlines Account 1508 or establish a new variance account to allow the recording, for reconciliation at a later date, of the differences, if any between the amounts recoverable in the Applicant's Board-approved revenue requirement related to various regulatory costs and the actual costs incurred by the Applicant in this regard. Please provide a breakdown of the Applicant's regulatory costs for the years 2002 to 2004 and an estimate as to what they will be for 2005.

Response

In context of the above-mentioned variance account, the Applicant's regulatory costs for ESA fees and regulatory costs associated with regulatory proceedings would be as follows:

2002	\$57,286
2003	\$83,749
2004	\$14,275 re: ESA fees <u>\$225,067 Balance of response to follow</u>
2005 Estimate	\$36,129 re: ESA fees <u>\$550,000 Balance of response to follow</u>
