Dear Ms. Walli:

**RE: Distributed Generation: Rates and Connection  
Ontario Energy Board File Number EB-2007-0630**

Aagent Energy Advisors Inc. (Aagent) has been retained by the University of Toronto to assist the University on matters related to the above-noted proceeding. Aagent submits this letter on behalf of the University of Toronto.

The University of Toronto intends to participate in the EB-2007-0630 consultative process. The University of Toronto is a not-for-profit academic institution which operates distributed generation within its steam plant. As a result, the University will be directly affected by the Ontario Energy Board's policies with respect to rates and connection for distributed generation. Therefore, this proceeding is of direct interest to the University of Toronto.

The University of Toronto requests that all correspondence and documents be directed to:
