Ontario Power Authority: Integrated Power System Plan
Comments: Phase 1 Issues List

Dear Ms. Walli:

Following from your notice of October 31, 2007 we have reviewed the draft Issues List as developed by the OEB.

We believe the Issues List, as proposed, adequately addresses the scope of this important review. As such we do not offer any suggested changes or additions.

We look forward to participating in the Phase 2 review.

Yours truly,

Chuck Stradling
Executive Vice President
BOMA Toronto
