REPLACES SUBMISSION
DATED FEBRUARY 9, 2007

To Board Secretary:

2007 IRM Model PETERBOROUGH DISTRIBUTION INC_ PST EB-2007-0571 (PST)

Peterborough Distribution Inc. hereby re-submits its 2007 EDR for the Peterborough service territory to replace the application submitted February 9, 2007.

The manager's summary includes a request for an increase in the smart meter rate adder to \$0.84 per metered customer in addition to a Z-factor recovery of a \$0.99 monthly fixed charged per metered customer for twelve months.

PDI is requesting the Board consider special Z-factor funding in the amount of \$374,586 to recover costs incurred to repair damage to the distribution system caused by a severe thunderstorm that struck Peterborough July 17, 2006.

Our submission includes a revised 2007 IRM model, Smart Meter Addendum model and a detailed storm damage report. The Z-factor funding has been included in tab 4, smart meter information, of the 2007 IRM model.

1. Requested Smart Meter Funding of \$0.84 per metered customer and storm recovery of \$0.99 per metered customer, file name Peterborough_PST_2007IRMmodel_with Smart Meter Addendum & Storm recovery.xls.
2. Smart Meter Addendum Model, file name Peterborough_PST_Rate_Addendum_Model_20070209.xls
3. Storm damage report, Appendix A.

Yours very truly,
