Niagara-on-the-Lake Hydro Inc. has applied to raise its electricity distribution rates and other charges.

Learn more. Have your say.

Niagara-on-the-Lake Hydro Inc. has applied to the Ontario Energy Board to raise its electricity distribution rates effective May 1, 2019. If the application is approved, a typical residential customer of Niagara-on-the-Lake Hydro Inc. would see an increase of approximately \$1.29 per month. Other customers, including businesses, may also be affected.

Niagara-on-the-Lake Hydro Inc. has also applied for approval of a new standby charge for large business customers with generation, to establish a new Large User class and to increase certain specific service charges and the microFIT service charge. It is important to review the application carefully to determine whether you may be affected by these changes.

THE ONTARIO ENERGY BOARD IS HOLDING A COMMUNITY MEETING

The Ontario Energy Board (OEB) is hosting a meeting on **Tuesday, October 9, 2018 at the Niagara-on-the-Lake Community Centre, Simpson Room, 14 Anderson Lane, Niagara-on-the-Lake, Ontario from 6:30 p.m. (doors open at 6 p.m.)** so that you can:

- Learn more about Niagara-on-the-Lake Hydro's costs and rate application.
- Find out how the OEB will review the application.
- Get involved and provide your comments about the application to the OEB.

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The OEB will hold a public hearing to consider the application filed by Niagara-on-the-Lake Hydro. During the hearing, we will question Niagara-on-the-Lake Hydro on its case for a rate increase. We will also hear questions and arguments from individual customers and from groups that represent Niagara-on-the-Lake Hydro's customers. At the end of this hearing, the OEB will decide what, if any, rate increase will be allowed.

Distributors such as Niagara-on-the-Lake Hydro typically apply for a full review of their rates every five years. Any rate changes for the years in between are made by applying an OEB-approved formula which is tied to inflation and other factors intended to promote efficiency. You may not get notice of future rate changes made by applying the formula.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
